Nov.5th, 2018

Dear Waverly Community,

On behalf of the Waverly educational community, we are selling tee-shirts to show our support for a fellow district-staff-member, **Denise Talbert.** Denise and her husband, Bill, serve the Waverly school district in a variety of roles. Denise is our office assistant in the elementary building and Bill drives a bus, coaches and provides custodial services for the district. Denise has begun her battle with cancer this past month and we are wanting to support her through her battle. We will be donating all profits of the tee-shirt sales to Denise & her family to help defray all associated medical costs. Below is a sample of the design. The tee-shirt will be black and lettering will be pink. **Please detach the bottom of this note and return to: the Waverly Grade School Office, Waverly High School Office, or to Mr. Lucas' Office in New Berlin in an envelope with appropriate payment by Friday November 16th, 2018.**

Thank you so very much for standing beside Denise during this time.
